SKUKY

SKUKY
26SS LOOK BOOK

Chaos, Curated

Where raw, untamed energy collides with precision and form.
We craft pieces that move in silence, yet leave an undeniable imprint.

Built for those who navigate the city with instinct and intention, SKUKY exists in the space between street and atelier—between what's improvised and what's meticulously engineered.

Every pocket, seam, and panel is deliberate.
Every transformation—a bag unfolding into a raincoat, trousers converting into shorts, a coat transforming into a cropped jacket—is designed to let the wearer rewrite the narrative in their own way.

This is not fashion chasing trends.
This is form meeting function, discreet elegance infused with silent strength.

SKUKY is energy—tailored.

Season Color Concept

BASE - Core Identity

Stealth Core

The absolute black at SKUKY's core—quiet in presence, unwavering in strength.

Concrete Mist

A refined light gray, evoking the calm of fog drifting over urban concrete.

Urban Field

A tactical green rooted in utility, bridging function and refined urban form.

POINT - Accents of Motion

Brick Orange

Warm and grounded, this brick-toned orange adds depth and a utilitarian edge to SKUKY's modular aesthetic.

Midnight Navy

A deep navy that merges street-born edge with atelier-crafted elegance.

Denim Indigo

Rugged and enduring, this indigo carries the spirit of modular adaptability.

PALETTE EXTENSION

Strategic Flexibility

The SS26 palette is built around SKUKY's core identity of transformation—a seamless shift between forms, functions, and contexts.

By balancing deep, grounding neutrals with striking accent tones, the collection adapts effortlessly from street to atelier, from the understated to the bold.

This strategic range enables multiple interpretations, always maintaining SKUKY's discreet elegance and flexible utility.

KEY FABRIC DESCRIPTIONS

Cotton

Natural hand-feel with a structured drape. Breathable yet sturdy, maintaining form while ensuring all-day comfort.

Nylon

Lightweight yet resilient, water-resistant with a crisp texture. Ideal for outerwear built to perform under shifting conditions.

Cotton / Nylon

uses cotton’s breathable softness with nylon’s strength and abrasion resistance, creating a refined yet resilient surface.

Cotton / Polyester

Combines natural softness with technical resilience, offering both comfort and easy maintenance.

Denim (Indigo)

Rugged and enduring, with a lived-in character that deepens over time. Structured yet flexible, it adapts to the wearer’s movement.

KEY DETAILS

Transformable Details

Designed with precise engineering, each piece seamlessly shifts form—jackets fold into bags, trousers convert to shorts, coats transform into cropped silhouettes. These transformations preserve the garment’s refined structure while unlocking new functions, inviting the wearer to adapt and redefine their look.

Fusion of Street and Classic

Where the relaxed ease of the street meets the discipline of the atelier. Silhouettes carry an unforced confidence, elevated by tailored lines, meticulous construction, and luxurious materials. A duality that moves effortlessly between everyday wear and refined elegance.

Minimalist Utility

Function is embedded with restraint—pockets, seams, and fastenings serve a purpose without overpowering the design. Each element is stripped to its essence, offering practicality that complements rather than competes with the garment’s aesthetic.

Layered Versatility

Built to interact with itself, the collection embraces layering as both function and style. Modular parts, interchangeable panels, and adaptable silhouettes allow each piece to stand alone or integrate seamlessly, giving the wearer infinite ways to compose their look.
